## **“Improving Education - Improving Life”**

*Study visit, Bitola, Macedonia*

*30.10 – 06.11.2016*

From 30<sup>th</sup> of October until the 06<sup>th</sup> of November 2016 in Bitola, Macedonia, NGO GET Innovation will host 3 youth workers from Estonia, Luxembourg and Poland.

The youth workers will come for 5 days in order to study the youth work reality in Macedonia. They are taking part of the large-scale international project, called “Improving Education – Improving Life”, organized in the frames of the educational program of the European Commission, called Erasmus+ ([http://eacea.ec.europa.eu/erasmus-plus\\_en](http://eacea.ec.europa.eu/erasmus-plus_en)).

The objectives of this project are to give opportunities to youth workers and organizations to develop a high level competences in order to support young people, especially the ones with fewer opportunities and to facilitate their professional insertion and fight against social exclusion. It is also aimed to contribute towards reinforcement of the European cooperation in order to improve capacities of organizations involved in the field of youth.
